

WATER RATES

(January 2022)

All water users are required to make a meter deposit. This deposit will be refunded when the final bill is paid:

Meter Deposit With Out Sewer	\$100.00
Meter Deposit With Sewer	\$150.00
Hookup Fee	\$25.00 plus 2.25 tax
Reconnection Charge	\$100.00 plus \$9.00 tax
Bad Check Charge	\$20.00
Water tap charge – ¾” service	\$350.00 plus \$31.50 tax
- 1” service	\$500.00 plus \$45.00 tax
- 1-1/2” service or larger	Actual Cost plus 20%
 Sewer Tap	 \$250.00 plus actual costs plus 15%

(Any check given for the above fee that is returned to the Water Department because of insufficient funds or account closed will result in a 24-hour notice to redeem the check. Any check not redeemed within 24 hours will cause water service to be disconnected without further notice.)

Utility bills are issued on the 20th of every month. They are due and payable by the 10th of the month following issue. Payments made after the 10th of the month will result in a 10% late fee being applied. Water service will be discontinued if not paid by the 20th of the next month following billing:
